

## *A Note from the Traveller's Team*

Dear Parents/ Guardians;

Greetings from the Traveller's Team! We are approaching an extremely busy time in the Traveller's school year. Operation SOAR (Seeking Out American Roots) is right around the corner. Operation SOAR is a LARGE interdisciplinary unit that involves all team teachers. Student's participation and effort during this unit is critical to their success the final grading period of the school year. You being informed and being available to help and encourage your student will almost ensure their success. Keeping that in mind, we are hosting a parent information meeting on **March 13, 2001**, at 6:30 PM in the PMMS cafeteria. All team teachers will be there to discuss the details of Operation SOAR, what students can look forward to, and how these projects or activities will impact your student's grade. There will also be a question and answer session at the close of the meeting.

We hope you will be able to set aside the time to attend this important meeting. As always if you have any questions you can call the team directly from 12:20-1:00 each day at [REDACTED].

Thank you – and we hope to see you on the 13<sup>th</sup>!

Sincerely,  
Traveller's Team
